## Catch a Rising Star: Young Leaders on the Up and Up

**Y**ear 2005 brought a lot of good news for the Young Leaders Group steering committee. After a successful five years at HOK, **Brooke Facente** decided to pursue a career in Real Estate Advisory Services with GVA Worldwide, with an emphasis in the areas of Life Sciences and Corporate Services. **Nevena Vujic** started a new job as a Development Associate at Legacy. **Dan Poritzky** started his new job at Hines, and **Gabe Speyer** started at Bank of America. Clearly love was in the air in 2005 as lots of people decided to take the plunge: **Nick Kittredge** with AMB got engaged and so did **Mark Bodie** at RREEF. **Jason Moorehouse** at

Ellis and his wife Jennifer are expecting their first child. In the "Overachievers" category, **John Fa** just got married and took a new job at the Building Materials Holding Corporation. **Elizabeth Wolff** started a new job with her family company and also is getting married. Last but not least, in 2005 **Jed Gates** was promoted to Vice President and is now leading the third Debt & Structured Finance team for Buchanan Street Partners, and is getting married to Hilarie Silvers this February at the Biltmore in Atlanta.
